

PRODUCT INFORMATION SHEET ANTI SLIP TAPE

Staircare anti-slip tape can be applied as a slip prevention strip in our SC2, SC4, SC8, SC15 and SC16 stair nosing profiles to offer excellent long term slip prevention.

Anti-slip tape applied as a stand-alone slip prevention should only be used as a short term solution. Substrates will have to be smooth and free of grease and dirt before application.

Anti-Slip Tape is available ex stock in black, grey or yellow. Other colours are available on request.

Durability – our product has a thick carrier impregnated with diamond hard aluminium oxide, that is hardy, tough and durable.

Cleaning – our Anti-Slip Tape is formulated for resistance to both steam and detergent cleaning.

Compliance – Staircare anti slip tape, 50mm and 70mm wide installed 15mm from the Edge of the step, complies with the requirements of AS 1428.1 – 2009 Design For Access and Mobility. To achieve the 30% luminance contrast we offer the choice of black, grey or yellow anti slip tape.

Slip Resistance Compliance – Staircare anti slip tape has been slip resistance tested to AS4586:2013 passing with the highest slip resistance rating of Class *P5* for Wet Pendulum Test and Class D1 for Dry Floor Friction Test.
